ADMINISTRATION
AND
FACULTY

ADMINISTRATION

B. J. Bishop, Supervisor; H. E. Ryder, County Superintendent; Paul E. Cairl; G. E. Swope, Clerk; George Griffin; Hugh MacQueen, Vice President; Arthur Cleland, President.

Mr. Walter Zeck was appointed on February 27, 1947, to fill the unexpired term of Mr. William E. Dyer whose resignation had been previously accepted.

Board of Education

As official representatives of the school district, the Board of Education consists of citizens elected to that office for a period of four years. The Board is the governing body which officially acts on all matters and questions pertaining to the Springfield Local Schools. The Board holds regular monthly meetings with the school executives attending in an advisory capacity.

Each member of the Springfield Local Board of Education by giving generously of his time and efforts has made it possible for them to meet many and complex problems confronting all school districts during this period of economic unrest.

HAROLD E. RYDER, B.S., M.S., M.A.
Superintendent

LUCAS COUNTY SCHOOLS

Mr. Ryder is completing his seventh year as Superintendent of the Lucas County Schools. Besides supervising all the schools in the county, he helps in solving many complex problems of state and national importance. He is a past president of the National County Superintendents' Association, a member of Ohio Reading Circle Board, and actively participates in many other educational and civic organizations. His thorough understanding of school problems has enabled him to elevate the schools of Lucas County to a high place in the Ohio public school system.

B. J. BISHOP, B.S., M.A.
Supervisor

SPRINGFIELD LOCAL SCHOOLS

For the past five years Mr. Bishop has capably served as the Supervisor of the Springfield Local Schools. Although administrative duties occupy most of his time, no problem is too small to receive his attention.

He is always willing to talk with any students about their difficulties. Through individual counsel with members of the Senior Class, he has encouraged many to continue their schooling, and has aided others in the selection of their life's work.

The enrollment for the school year, 1946-47, was approximately twelve hundred. This increase, of nearly two hundred pupils over last year, created a critical housing problem. In 1945 a bond issue was passed to provide for enlarging and improving the present school buildings; but, because of the increased cost of building materials and labor, the contemplated building program has of necessity been temporarily delayed.

The Senior Girls Athletic Association was founded for the purpose of promoting athletic activities in the school. It was originally organized to include the girls of the upper three classes, but was changed this year to include only the upper two, the Juniors and

Seniors. This limitation was due to the enormous size of the club and its inability to function properly with such a large group. The new members were installed in the club, by initiation early in the fall.

CHEERLEADERS

The organization, one of the most active in the school, raised money during the past year by sponsoring the following activities: the noon programs, in co-operation with the Varsity "H"; the sale of refreshments and programs at the home games; a dance, "The Hayloft Hop," in October; and the sale of buttons and caps.

The club's treasury climbed steadily during the year, the debts also climbed; but, a wide margin of profit was prominent throughout the year. The major use to which this money was put was the Athletic Banquet and Dance, given February 15.

The Banquet is presented annually to honor the football-baseball-basketball boys, that they might be awarded their merited letters. The guest list numbered one hundred and twenty including the faculty and club members. At the Banquet, pins were awarded to all Senior Girls and awards were presented to the four cheerleaders.

Mrs. Logan ably served as our advisor the first semester, giving generously of her time and effort. After Mrs. Logan was granted a leave of absence at the end of the first semester, Mrs. Cleota Fye, assumed her duties as advisor and aided in completing a successful year.

We supported the Junior High Basketball boys and the Junior High Cheerleaders.

We obtained funds by a juke-box dance, movie, and selling candy at school.

The Varsity "H" club started its organization this year with many hardships left over from last year; but, as the year progressed, it got back on its feet and did a great deal to promote athletics.

Under the direction of Mr. Barnes, the Varsity "H" has organized a booster club for the benefit of the football team. Many interested persons and prominent business men joined this club by generously contributing to this fund. The money was used to buy football equipment.

Mrs. Frank Wagemann baked a cake in the shape of a lamb with white wool (cocoanut) and gave it to the boys for a cake raffle. Larry Talbert was the lucky winner.

Alternating every week throughout the year, the club in co-operation with the G.A.A. has sponsored noon programs consisting of dances and shows.

The following officers were elected at the first meeting: President, Sam Scott; Vice President, Len Bucher; Secretary, Tom Kiger; Treasurer, Don Dickerson; Reporter, Russ Bannister; Sergeant-at-Arms, William Urban.

The initiation party was held in November after the last football game. The following were initiated: Don Kaiser, Lowell Dennis, Charles Inderrieden, Don Woods, Bob Haupricht, Jim Johnoff, Paul Mohr, Lewis Cramer, Don Adamski, Bob Phelps, Perry Hall, Bob Kolasinski, Ben Atherton, Archie Hughes, Roy Tibbits.

This year at the annual Athletic Banquet each Senior was awarded a varsity "H" key and a ball charm symbolizing the sport in which their letter was awarded. Don Kaiser, Tom Kiger, Don Kulwicki, Sam Scott, Russ Bannister, and Ray Augustyniak, received Varsity "H" keys and football charms; Bob Kolasinski received a Varsity "H" key and baseball charm; Lowell Dennis received a Varsity "H" key and basketball charm; and Charles Inderrieden received a Varsity "H" key.

Tom Kiger was awarded the William A. Fulghum trophy as the outstanding athlete of the year. Louis Noe was the last year's winner, and both names will be engraved on the trophy which is on display in the lower hall of the High School Building.

The Senior Class of Springfield Local High School has completed the seventh consecutive year of editing the Windmill.

This year's staff was chosen by election on September 30. The Senior Class, the Class Advisor, and the Windmill Advisor were each given one vote; two votes were neces-

sary to elect the student to the staff.

We have tried to retain through pictures and write-ups the memory of events which we thought the students would like to look back upon in future years.

Editing a yearbook is a tremendous task which is to the advantage of everyone on the staff because it gives them a sense of responsibility and promotes creative thinking.

TOWN TATTLER

FIRST ROW: Lowell Dennis, Editor; John Miller, Mimeograph Operator; Donald Bridges, Sports Editor; Mrs. White, Advisor; Charles Inderrieden, Circulation; Donald Kulwicki, Mimeograph Operator.

SECOND ROW: Lois Cramer Typist; Violet Gibson, Typist; Betty Osten, Typist; Novelda Lavalette, News Editor; Shirley McCabe, Art Editor; Patricia Borsos, Birthdays and Biographies; JoAnn Campbell, Co-Editor; Rita Wilczynski, Inquiring Reporter.

The Town Tattler is published the second Wednesday of every month as a project of the Senior Class. Recorded in this paper are many incidents of the month that are of interest to the student body.

Of the eight issues published each year, the Seniors edit the first seven; the newly elected Junior Staff edits the last issue in order to gain practical experience which will enable them to begin the first fall issue with a more thorough understanding of newspaper work.

The experience of operating the mimeograph, using the mimeoscope, cutting stencils, planning pages, and numerous other tasks

give the students training in a field of work that may be useful to them in future years.

The paper is entirely self-supporting and a Town Tattler Fund is maintained through the sales and advertising. All supplies, paper, ink, stencils, and equipment are purchased out of this fund.

Arranging the work so that it would be done during study periods and the advisor's free periods presented the greatest obstacle in getting the Tattler out on time; but, by doing this work after school hours, we managed to get the Tattler out on time on all but two occasions—a record in itself.

The Club sponsored the movie "Foreign Correspondent," on January 22, and a "juke box" dance after the Whitehouse basketball game on February 7.

Because no space was available for a darkroom, film developing had to be postponed this year.

At the time of this writing the club is sponsoring a snapshot contest. The winner will receive a camera.

During the school year 1946-1947 the Holland Band took part in a great number of school activities. They played at Pep meetings, special programs and at football games.

The first really important event of the year was the Swanton Corn Festival on September 21, 1946, where the Band won first prize in the contest for the local school bands. The Band was very proud to bring our school's name to everyone's attention in this way.

All through the football season the Band attended all but one game, and was a real boost to the morale and school spirit of all.

On October 4, 1946, the Band had what could be called a "Band Day". Leaving the school in the morning they went to Oak Harbor for the Homecoming for Veterans. After a long march they returned to Toledo to have supper at Grace E. Smith's Cafeteria. From there they went to Wauseon where they cheered the victory of a hard fighting football team.

Through graduation this year the Band will lose four members who have played during their four years of high school: John Miller, trumpet; Donald Bridges, clarinet and saxophone; Joyce Pollock, clarinet; and Earle Davoll, bass.

The Junior Classical League is a national organization composed of classical clubs in secondary schools. These clubs are composed of Latin students, and are known as chapters of the Junior Classical League. Our club is an active chapter in the League. Its purpose is to arouse an interest in the language and to acquaint us with the customs of the Romans and Greeks. The main requirement for membership is to have a genuine interest in the classics.

Most of the members have sterling silver pins. Next year the teacher of Latin will award a key to the student most active in this subject.

The activities for the year were: a movie, a picnic, and a trip to the Art Museum. We hope that next year's club will be enlarged by the new students of Latin.

The "Just Us Girls" organization is a social club founded, primarily, for the purpose of creating stronger and more friendly bonds among the high school girls. Membership to the club is limited to the girls of the upper three classes.

Each year since the club reorganized from the F.H.A. to the J.U.G. in the fall of '43, it has increased in membership. This year totaling well over 60. In October the club held its annual initiation party to install new members into the club. True to tradition, it consisted of an all day initiation ceremony, followed by a pot-luck dinner and a theater party after school hours.

The club functioned this year under the supervision of our Home Economics teacher, Miss Lash; and following her resignation at the mid-year, Mrs. Arnold, assumed her duties as advisor of the club.

The improvement of this year's football team over those of past years can be credited to the training by Coach Barnes and his assistants, Coach Crim and Coach Maxwell.

Although the boys thought that Coach Crim made the calisthenics a little too "rugged" at times, they stuck with it. It was this conditioning and the new plays which Coach Barnes taught them that enabled the team to hold its own against heavier teams and to tie a championship team of the Class A League.

Holland opened their season against Liberty Center with an evenly matched game, but Holland lost 2-0.

Swanton was the next opponent and Holland won 12-6. Jack Bade made the first touchdown when he caught a pass and Ed Burgin went over for the second. In this game Don Kulwicki made a 65-yard kick which was the longest of the season.

Ottawa Hill's 17-game winning streak was broken by Holland with a score of 8-0. Ed Burgin made this tally and Holland also caught Ottawa Hills behind the line for a safety.

Wauseon was next on the list for Holland, and Holland added one more to their list of victims. The score was 12-7 with Ed Burgin going over for both touchdowns.

Clay came to Holland this year expecting to carry home another victory against Holland. After the Holland boys had held Clay in their own territory for three quarters, Holland pushed Clay all the way back

for a touchdown. After having held a much heavier team for three quarters, Holland's strength ran out and Clay made a touchdown in the closing minutes of the game to tie the score at 6 points.

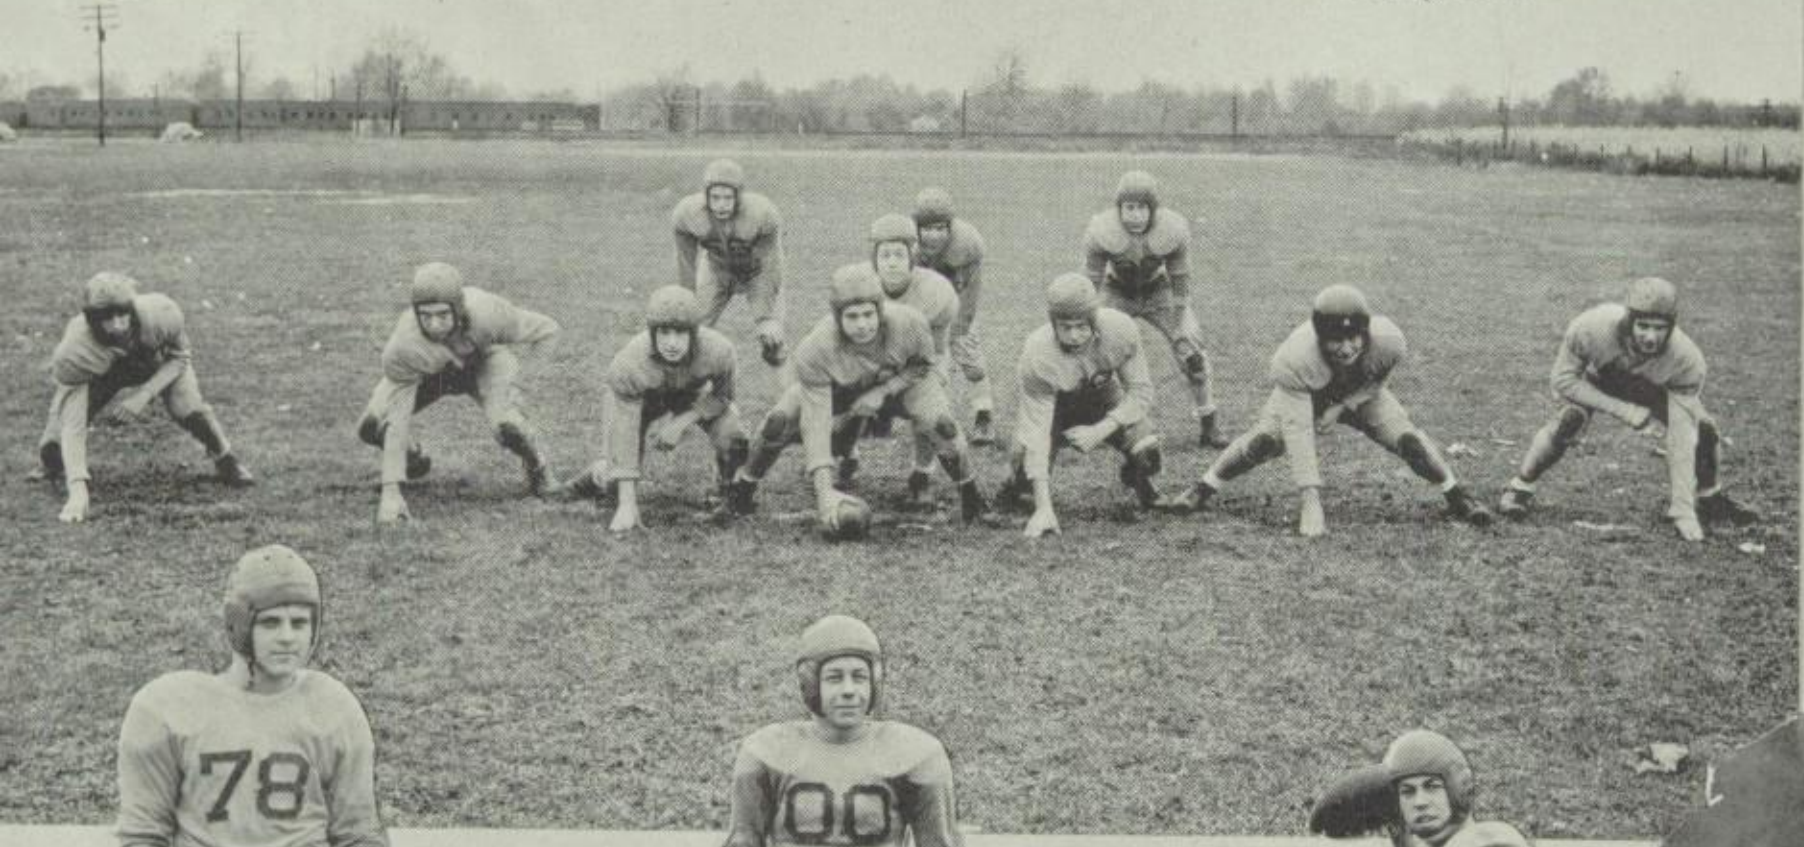

Rossford came to Holland for the next game. Although the Holland boys tried hard, they could not get into the pay dirt. The field was wet and there was no holding Rossford. The final score was 13-0.

When Holland went to Burnham, the field was a mass of mud and water holes. They fought hard but couldn't stop the Burnham Eleven, and lost 19-0.

Holland journeyed to Montpelier determined to win against an undefeated team. Our boys lost, but this was a very good game and not in the least what Montpelier expected. The boys rolled up 18 points against a heavier squad and held them to 28.

The game with Whitmer ended the season and also high school football for six Senior members of the squad: Sam Scott, fullback; Don Kulwicki, quarterback; Ray Augustyniak, left guard; Tom Kiger, right guard; Don Kaiser, right tackle; Russell Bannister, left tackle. The final score of this game was 33-0.

Holland had a very good season after all things are taken into consideration. They played only two Class B schools and won both games. The remaining games of the season were all played against Class A schools. Of these games they won one and tied Clay who later became the Northwestern League Champions.

BASKETBALL - VARSITY

Mr. Barnes, Coach; Don Dickerson; Ed Burgin; Leonard Bucher; Lowell Dennis, Captain; Edgar Gibson, Manager; Jack Bade; Paul Mohr; Lewis Cramer; Richard Hughes; Bill Haupricht; Dick Siegel, Manager.

Both the Varsity and Reserve teams have shown remarkable improvement over those of past seasons. Due credit should be given to Coach Barnes and Assistant Coach Crim for their excellent work in making the Holland teams recognized as competitors again in the Lucas County Tournament. The Varsity won the Runner-Up Trophy this year, and since they will lose only one player through graduation this year and have excellent Reserve players coming up, they should have a good chance to win the County Tournament next year.

Lowell Dennis was elected captain of the Varsity this year. Lowell has

played one year on the Reserve team and two on the Varsity.

The Reserve team played very good ball this season, winning eight out of the seventeen games that they played.

As the season rolled on and the players gained experience, they were moved up to the Varsity squad. Paul Mohr, Don Dickerson, Jack Bade, Len Bucher, Lewis Cramer, and Dick Hughes were moved up to the Varsity team and proved to be valuable players.

Even with the loss of these players, the Reserves continued to improve and ended the season as a well balanced team. The Reserve had only seven players at the end of the season, but all will be back next year and with the experience gained this year should provide a nucleus of a championship team next year.

BASKETBALL--JUNIOR HIGH

FIRST ROW: Bob Gilsdorf; Jim Johnoff; Ora Stull; Mr. Deppen, Coach; Dick O'Connor; Bob Bigelow; Albert Urban.
SECOND ROW: Paul Holloway; Dick Siegel; David Martin; Gerald Greisinger, Manager; Bob Price; Larry Talbert; Harold Cowden.
SEATED: Tom Bettinger; Tom Haupricht.
ABSENT: Howard Mitchell, John Kulwicki.

The Junior High Basketball team had a very successful season under the direction of their coach, Mr. Deppen. These boys came to school very early each morning in order to practice before school. They worked very hard and were able to win sixteen games out of nineteen.

In the Lucas County Junior High Tournament they won the trophy by beating Whitehouse by a score of 22-19, and Monclova by a score of 22-18. The Reserve and Varsity teams should benefit by having this kind of material coming up.

1946

Holland opened their baseball season in the spring of 1946 with a game against Macomber and lost by a score of 5-1. The next game was with Waterville and they also lost this one by a score of 3-1. In the next two games against Whitehouse, the series was split; Holland won the first by a score of 6-5, and Whitehouse the second by a score of 7-5. Holland then visited Monclova and came home after making only three hits and losing by a score of 14-2. In a return game with Waterville, Holland again lost by a lopsided score of 11-1. Whitmer visited Holland, but it wasn't very successful as Holland scampered to a 7-5 win. As Holland moved into the Lucas County Tournament, they drew Monclova and were shut out by a score of 5-0. This ended the Tournament for Holland.

Through graduation the '46 team lost eight players: George Kent, Paul Cairl, Harold Cramer, Louis Noe, Ray Smalley, Joe Johnoff, Ray Myers, and Ralph Szymanowski.

1947

During the 1947 season, the Holland team played its first game against Whitehouse, and lost 10-2. Holland won its second game by a score of 5-2 against Waterville.

In the Lucas County Tournament at Swayne

Field, Holland met Whitehouse and won by a score 11-1. For their second game of the Tournament, they met Monclova, but the game was called because of rain in the third inning. The following day the two teams met at the DeVilbiss ball park, and again rain ended the game, this time in the sixth inning at a score of 5-0 in favor of Monclova.

Holland did not have a chance to prove what they could do because of so much cold rainy weather which did not permit practice and forced them to cancel several games.

The line-up for '47 was as follows: Catcher, Sam Scott; Pitchers, Lewis Cramer and Frank Szurminski; First Base, Jim Johnoff; Second Base, Richard Hughes; Shortstop, Don Dickerson; Third Base, Tom Kiger; Left Field, Roy Tibbits; Right Field, Paul Mohr; Center Field, Art Wood. Substitutes were: Catcher, Frank Gozdowski, and Bob Kolasinski; Pitcher, Jack Bade, Frank Sniegowski, and Jack Stone; Infield, Al Szymanowski; Outfield, Fred Hott, Don Kulwicki, Richard Katafiasz, Ray Augustyniak, and Perry Hall.

Although the season began late and rain did not permit many opportunities for practice, Coach Barnes has done an excellent job with these boys.

This year's schedule for the remaining games of the season include Waterville, Whitehouse, Ottawa Hills, Macomber, and Woodward.
